Electrolux 900 Chimney 90 cm cm 55 dB

EFV729K

Advanced sensors for perfectly fresh kitchen air
The 900 AutoSense Hood senses steam, grease and odours in your kitchen, intuitively adjusting the fan power to quickly clean the air. Cook for family and friends in a fresh kitchen environment without noise disturbance.

Product Benefits & Features

AutoSense. Smart sensors for clean kitchen air
AutoSense technology intuitively senses odours, grease and steam, automatically adjusting the fan speed for optimal air quality. Experience a kitchen that is fresh and clean, as the hood adapts seamlessly to your cooking needs.

Perfect Illumination. Discover the magical colours of every dish
Perfect Illumination offers customisable kitchen ambiance. The dimmable LED lights brighten your entire cooking surface, providing exceptional visibility. Adjust intensity and light temperature from cool to warm for your perfect combination

Silently refresh the air with Breeze
Touch the breeze button as soon as you've finished cooking and the extraction level is cut to a whisper-quiet minimum and works for 60 minutes. Meaning you can enjoy your meal in peace while the air in your kitchen gets quietly refreshed.

Smart control of your cooker hood
Easily manage your cooker hood with the app. Customise your hood lighting from morning to night with AuroraTech®, which suggests optimal light settings based on time and location for ultimate kitchen ambience. Monitor your carbon filter, access cleaning tips, and adjust fan

ExtractionTech Pro. Ultimate extraction power
Experience superior kitchen ventilation with the ExtractionTech Pro cooker hood. Equipped with our most powerful motor and intensive speed option, it efficiently extracts cooking vapours ensuring an exceptionally fresh cooking environment.

- Installation type: Chimney, width 90 cm
- Air extraction capacity (high/low): 445 / 260 m³/h
- Max. extraction capacity (intensive): 760 m³/h
- Noise min/max/intensive: 43/55/67dB(A)
- Number of speeds: 3+2 Intensive; Breeze function; SilenceTech Range
- Cooker hood lamps type and number: AuroraTech, Rectangular led, 2
- Breeze function
- Perimeter extraction for lower energy consumption and noise levels
- Electronic touch controls on glass with speeds 3+2 Intensive; Breeze function; SilenceTech Range
- Return flap
- Indicator for grease filter saturation
- Indicator for carbon filter saturation
- Grease filter type and number: Black Aluminium mesh, 2
- Air extraction or recirculation possible, if charcoal filter (optional accessory) installed.
- LongLife charcoal filter can be bought as accessory
- Recirculation capacity, man/max/intensive: 250/440/725 m³/h
- AutoSense automatically detects and removes odours, grease and steam.
