Please read this safety information carefully and keep this document for future reference. Help articles and customer support is always available at https://nanoleaf.me/support. Risk of fire or electric shock. Downlight installation requires knowledge of luminaire electrical systems. If not qualified, do not attempt installation. Do not make or alter any open holes in an enclosure of wiring or electrical components during installation. Do not expose wiring to edges of sharp objects to prevent wiring damage or abrasion. Suitable installation fastening methods should be employed to ensure the mounting points are not damaged when subjected to vibration and/or movement. The light source of this luminaire is not replaceable. When the light source reaches its end of life, the whole luminaire shall be replaced. This Nanoleaf® product is not designed, certified, nor intended for use in: enclosed locations that limit the flow of air and/or trap heat which contributes to an environment temperature over 40 degrees Celsius; outdoor areas, regardless of weather conditions; wet conditions; emergency exits, emergency lighting, or other use cases involving critical systems for human safety; regions or countries other than that in which the product was intended for and certified for sale in. When using this Nanoleaf® product: Do not open or disassemble the device, as this will void the warranty and make the product unsafe for use. Do not submerge any part of the device in water, or expose any part of the device to water. This Device is not intended for use with emergency exits or not for emergency lighting. Only use the control provided with or specified by these instructions to control this lamp. This lamp will not operate properly when connected to a standard incandescent dimmer or dimming control. **FREQUENCY RANGE** Bluetooth, Thread/Matter: 2400-2483.5 MHz <10dBm; Wi-Fi : 2412-2472 MHz, Max RF e.i.r.p power < 20 dBm. Each light source is rated energy class G. **CE INFORMATION** NanoGrid Limited (Nanoleaf®) hereby declares that this device is in compliance with the essential requirements and other relevant provisions of Directive 2014/53/EU. The declaration of conformity is available at https://nanoleaf.me/eudocs. **UKCA INFORMATION** NanoGrid Limited (Nanoleaf®) hereby declares that this device is in compliance with the product requirements and other relevant provisions of the Radio Equipment Regulations 2017. The declaration of conformity is available at https://nanoleaf.me/en-GB/products/declarations/. **WARRANTY INFORMATION** Nanoleaf warrants that this device's hardware components will be free from defects in material and workmanship for a period of two (2) years from the date of purchase, unless a different period is stated in or on the packaging of the product, based on up to 3 hours average working time per day/7 days per week, when used as directed (the "Warranty Period"). Notwithstanding the foregoing, the Warranty Period for all Energy Star-certified products is three (3) years from the date of purchase. This limited warranty only applies to the hardware components contained in the original packaging. This limited warranty does not apply to any software, even if packaged or sold with the hardware components. Nanoleaf does not warrant that use of this device will be uninterrupted or error-free. If this device does not conform to this limited warranty, Nanoleaf will send you, at its election, a replacement device or refund your original price upon receipt of the returned device, register receipt and proof of purchase. Please reach out to our customer support to find out how to return the device. This limited warranty does not cover devices subject to accident, neglect, abuse, misuse or acts of God. REPLACEMENT OR REFUND IS YOUR SOLE REMEDY. EXCEPT TO THE EXTENT PROHIBITED BY APPLICABLE LAW, ANY IMPLIED WARRANTIES ARE LIMITED IN DURATION TO THE DURATION OF THIS LIMITED WARRANTY. LIABILITY FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES IS HEREBY EXPRESSELY EXCLUDED. Some states and provinces do not allow exclusion of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This limited warranty gives you specific legal rights, and you may also have other rights which vary from state to state and province to province. DA **ADVARSLER & FORSIGTIGHEDSFORHOLDSREGLER** DENNE ARMATUR SKAL INSTALLERES AF EN KVALIFICERET ELEKTRIKER I OVERENSSTEMMELSE MED LOKALE REGLER OG KODER. Læs venligst disse sikkerhedsoplysninger omhyggeligt og gem dette dokument til fremtidig reference. Hjælpeartikler og kundesupport er altid tilgængelig på https://nanoleaf.me/support. Risiko for brand eller elektrisk stød. Downlight installation kræver kendskab til armaturers elektriske systemer. Hvis du ikke er kvalificeret, skal du ikke forsøge at installere. Du må ikke lave eller ændre åbne huller i et kabinet af ledninger eller elektriske komponenter under installationen. Udsæt ikke ledninger for kanter af skarpe genstande for at forhindre ledningsskader eller slid. Der bør anvendes passende monteringsmetoder for at sikre, at monteringspunkterne ikke beskadiges, når de udsættes for vibrationer og/eller bevægelser. Lyskilden til dette armatur kan ikke udskiftes. Når lyskilden når sin levetid, skal hele armaturet udskiftes. Dette Nanoleaf®-produkt er ikke designet, certificeret eller beregnet til brug på: lukkede steder, der begrænser luftstrømmen og/eller fanger varme, som bidrager til en miljøtemperatur på over 40 grader Celsius; udendørs arealer, uanset vejrforhold; våde forhold; nødudgange, nødbelysning eller andre brugssager, der involverer kritiske systemer for menneskers sikkerhed; andre regioner eller lande end det, hvor produktet er beregnet til og certificeret til salg i. Når du bruger dette Nanoleaf®-produkt: Undlad at åbne eller skille enheden ad, da dette vil ugyldiggøre garantien og gøre produktet usikkert at bruge. Nedsænk ikke nogen del af enheden i vand, og udsæt ikke nogen del af enheden for vand. Denne enhed er ikke beregnet til brug med nødudgange eller ikke til

nødbelysning. Brug kun den kontrol, der følger med eller specificeret i denne vejledning, til at styre denne lampe. Denne lampe fungerer ikke korrekt, når den er tilsluttet en standard glødelampedæmper eller dæmpningskontrol. **FREKVENSINTERVAL** Bluetooth, Thread/Matter: 2400-2483.5 MHz <10dBm; Wi-Fi : 2412-2472 MHz, Max RF e.i.r.p power < 20 dBm. Hver lyskilde er klassificeret som energiklasse G. **EC INFORMATION** NanoGrid Limited (Nanoleaf®) erklærer hermed, at denne enhed er i overensstemmelse med de væsentlige krav og andre relevante bestemmelser i EUI Direktiv 2014/53/EU. Erklæringen om overensstemmelse er til rådighed på https://nanoleaf.me/eudocs. **INFORMATION OM GARANTI** Nanoleaf® garanterer, at denne enheds hardwarekomponenter vil være fri for defekter i materiale og udførelse i en periode på to (2) år fra købsdatoen, medmindre en anden periode er angivet i eller på produktets emballage, baseret på op til 3 timers gennemsnitlig arbejdstid pr. dag/7 dage om ugen, når det bruges som anvist ("Garantiperioden"). Denne begrænsede garanti gælder kun for de hardwarekomponenter, der er indeholdt i den originale emballage. Denne begrænsede garanti gælder ikke for nogen software, heller ikke selvom den er pakket eller solgt sammen med hardwarekomponenterne. Nanoleaf® garanterer ikke, at brugen af denne enhed vil være uafbrudt eller fejlfri. Hvis denne enhed ikke er i overensstemmelse med denne begrænsede garanti, sender Nanoleaf® dig efter eget valg en erstatningsenhed eller refunderer din oprindelige pris ved modtagelse af den returnerede enhed, registreringskvittering og købsbevis. Kontakt venligst vores kundesupport for at finde ud af, hvordan du returnerer enheden. Denne begrænsede garanti dækker ikke enheder, der er udsat for uheld, forsømmelse, misbrug, misbrug eller Guds handlinger. UDSKIFTNING ELLER REFUSION ER DIT ENESTE RETSMIDDEL. UNDTAGET I DET OMFANG, DER ER FORBUDT I HENHOLD TIL GÆLDENDE LOV, ER ENHVER UNDERFORSTÅET GARANTI BEGRÆNSET I VARIGHED TIL VARIGHEDEN AF DENNE BEGRÆNSEDE GARANTI. ANSVAR FOR TILFÆLDESKADER ELLER FØLGESKADER ER HERMED UDTRYKKELIG UDELUKKET. Nogle stater og provinser tillader ikke udelukkelse af hændelige skader eller følgeskader, så ovenstående begrænsning eller udelukkelse gælder muligvis ikke for dig. Denne begrænsede garanti giver dig specifikke juridiske rettigheder, og du kan også have andre rettigheder, som varierer fra stat til stat og provins til provins. Tulekahju või elektrilöögi oht. Allvalgustite paigaldus eeldab valgustite elektrisüsteemide tundmist. Kui teil pole kvalifikatsiooni, ärge proovige installida. Paigaldamise ajal ärge tehke ega muutke juhtmestiku või elektrikomponentide korpusesse avatud auke. Ärge jätke juhtmeid teravate esemete servadele, et vältida juhtmestiku kahjustamist või hõõrdumist. Tuleb kasutada sobivaid kinnitusviise, et kinnituspunktid vibratsiooni ja/või liikumise korral ei kahjustaks. Selle valgusti valgusallikas ei ole vahetatav. Kui valgusallika eluiga jõuab lõpule, tuleb kogu valgusti välja vahetada. See Nanoleaf® toode ei ole kavandatud, sertifitseeritud ega mõeldud kasutamiseks: suletud kohtades, mis piiravad õhuvoolu ja/või hoiavad kinni soojuse, mis aitab kaasa keskkonnatemperatuurile üle 40 kraadi Celsiuse järgi; välialad, olenemata ilmastikutingimustest; niisked tingimused; avariiväljapääsud, avariivalgustus või muud kasutusjuhud, mis hõlmavad inimeste ohutuse seisukohalt olulisi süsteeme; teistes piirkondades või riikides peale selle, kus toode on mõeldud müügiks ja kus see müügiks sertifitseeritud. Selle Nanoleaf® toote kasutamisel: Ärge avage ega võtke seadet lahti, kuna see tühistab garantii ja muudab toote kasutamise ohtlikuks. Ärge kastke ühtki seadme osa vette ega jätke seadme ühtki osa veega kokku. See seade ei ole ette nähtud kasutamiseks avariiväljapääsudega ega avariivalgustuseks. Kasutage selle lambi juhtimiseks ainult nende juhistega kaasasolevat või selles kirjeldatud juhtnuppu. See lamp ei tööta korralikult, kui see on ühendatud tavalise hõõglambi dimmeri või hämarduslülitiga. **SAGEDUSVAHEMIK** Bluetooth, Thread/Matter: 2400-2483.5 MHz <10dBm; Wi-Fi : 2412-2472 MHz, Max RF e.i.r.p power < 20 dBm. Igal valgusallikal on energiaklass G. **CE TEAVE** NanoGrid Limited (Nanoleaf®) kinnitab käesolevaga, et see seade on kooskõlas direktiivi 2014/53/EL oluliste nõuete jt asjaomaste sätetega. Vastavusdeklaratsioon on saadaval aadressil https://nanoleaf.me/eudocs. **GARANTIITEAVE** Nanoleaf® garanteerib, et selle seadme riistvarakomponentidel ei esine materjali- ja tootmisdefekte kahe (2) aasta jooksul alates ostukuupäevast, välja arvatud juhul, kui toote pakendil või pakendil on märgitud teistsugune

periood, mis põhineb kuni 3 tundi keskmist tööaega päevas/7 päeva nädalas, kui seda kasutatakse vastavalt juhistele (“Garantiiaeg”). See piiratud garantii kehtib ainult originaalpakendis sisalduvatele riistvarakomponentidele. See piiratud garantii ei kehti ühelegi tarkvarale, isegi kui see on pakendatud või müüdud koos riistvarakomponentidega. Nanoleaf® ei garanteeri, et selle seadme kasutamine on katkematu või veatu. Kui see seade ei vasta sellele piiratud garantiile, saadab Nanoleaf® teile oma valimisel asendusseadme või tagastab teie alghinna pärast tagastatud seadme, registreerimiskviitungi ja ostutõendi kättesaamist. Võtke ühendust meie klienditoega, et teada saada, kuidas seadet tagastada. See piiratud garantii ei kata seadmeid, mis on sattunud õnnetusse, hooletusse, kuritarvitamisele, väärkasutusele või Jumala tegudele. ASENDAMINE VÕI TAGASTAMINE ON TEIE AINUS PARANDAMINE. KÕIK KAUDSED GARANTIID ON PIIRATUD KÄESOLEVA PIIRATUD GARANTII KESTUSEGA, VÄLJA VÄLJA ARVATUD KOHALDATAVA SEADUSEGA KEELATUD MÄÄRAS. VASTUTUS JUHUSLIKKE VÕI TAGAJÄRGSETE KAHJUDE EEST ON KÄESOLEVAGA SELGESELGSELT VÄLISTATUD. Mõned osariigid ja provintsid ei luba juhuslike või kaudsete kahjude välistamist, mistõttu ülaltoodud piirang või välistamine ei pruugi teie puhul kehtida. See piiratud garantii annab teile konkreetsed seaduslikud õigused ja teil võivad olla ka muud õigused, mis osariigiti ja provintsiti erinevad.
