

Multifunctional

Multifunctional 9 in 1 solution:

Slices, Grates, Chops, Whisks, Blends, Kneads, Juices, Presses & Cuts

Ideal for large families and entertaining.

You can knead dough, whisk egg whites, whip cream, mince meat, blend soups, make milk-shakes, emulsify sauces, slice and grate vegetables and parmesan cheese as well as squeeze and extract 100% natural fruit and vegetable juices, and make smoothies and plant milks.

Includes a Juice Extractor: XL Extra Press
3-disc pack (Parmesan, 1 mm slicer and 6 mm grater).

Simple

Main bowl 3.6 L: for all preparations

Midi bowl 2.6 L: to slice and grate vegetables

Mini bowl 1.2 L: to blend small quantities

The 3 bowls allow you to effortlessly carry out several tasks in quick succession.

The **XL feed tube** enables you to insert large segments, or whole, fruits and vegetables.

Sturdy and ultra-quiet

All our food processors are made entirely in France and feature an **ultra-quiet, energy-efficient commercial-grade motor** with a **30-year warranty**.

Space-saving attachment storage

The **Sabatier stainless steel attachments, made in Thiers**, ensure a perfect cut. And they come with a space-saving storage box.

Recipe Book

More than **100 recipes** so you can cook like a chef every time
 And even more recipes on our free app and website
