Highlights

Control up to 10 lights with the Bluetooth app

With the Hue Bluetooth app, you can control your Hue smart lights in a single room of your home. Add up to 10 smart lights and control them all with just the touch of a button on your mobile device.

Unlock full suite of smart light features with Hue Bridge

Add a Hue Bridge (sold separately) to your smart lights to experience the full suite of Philips Hue features. With a Hue Bridge, you can add up to 50 smart lights to control throughout your home. Create routines to automate your entire smart home lighting set-up. Control your lights while away from home or add accessories such as motion sensors and smart switches.

Set up hands-free voice control

Philips Hue works with Amazon Alexa and Google Assistant when paired with a compatible Google Nest or Amazon Echo device. Control multiple lights in a room or just a single lamp with simple voice commands.

Optimised light recipes for your daily activities

Use the preset Philips Hue light recipes to fit your mood or activities throughout the day. Start your day with the bright white light of the Energise light recipe, or unwind with the subtle, soft light of Relax. Reading a book in the bath? Set the Read recipe for just the right light.

Set the mood with warm-to-cool white smart lights

Choose from over 50,000 shades of warm-to-cool white light to create the perfect ambiance in your bathroom for each activity and time of day. Use bright, white light each morning to start the day energised and alert, or match your evening wind-down routine with a dim golden glow.

Water-resistant smart light for bathrooms (IP44)

Philips Hue smart bathroom lights have been rigorously tested to make sure that they are water resistant, making them ideal for lighting humid environments. Each bathroom light meets IP44 standards.

Get installation-free dimming straight out of the box

Use the Hue dimmer switch to get instant control over your Philips Hue smart lights. With the touch of a button, anyone in the house can instantly dim or brighten the room, turn lights on and off or set light scenes.
