

Stable temperature, always cool

DynamicAir Technology creates an airflow, moving cool air around the fridge, so there's always a stable temperature in every corner. Preserving ingredients from losing shape or drying out.

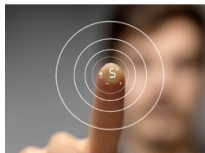

Product Benefits & Features

Consistently cool, with DynamicAir

DynamicAir makes sure that the environment inside your fridge is kept at a stable temperature. It works by circulating cool air throughout, meaning that even when the door is opened, your food is protected from heating up.

Adjustable storage with CustomFlex®

CustomFlex® gives you the freedom to customise your fridge space. The door interior has movable bins in different sizes, so you can adapt the space to suit your needs. The bins are even detachable, so you can remove them from the fridge for easy access.

Effortless control with Touch Electronic Controls

Touch Electronic Controls provide easy access to the refrigerator's settings and functions, so you can manage the temperature depending on your needs. Ultimate control at your fingertips.

OptiSpace has a roomy interior for groceries

Our Refrigerator with OptiSpace offers plenty of storage options both on top and in between shelves. And if you need even more room, the drawers can be easily removed to suit your specific needs.

Premium LED fridge lighting

Enjoy excellent visibility with our fridge's integrated LED lighting. The discreet, energy-efficient bulbs shine a bright light across the whole space. Consuming ten times less energy than standard lighting.

- Appliance HxWxD (mm): 1750 x 595 x 653
- Action Cool function quickly assures the desired refrigeration temperature
- Visual warning signal for open door
- CustomFlex®

Product Specification

Total Unfrozen Volume (l)	357
Nordic_Cold_DoorShape	Curved
Dimensions HxWxD in mm	1750x595x653
Door hinges	Right & Reversible
Installation	FS
Energy efficiency class (EEC) (E20)	E
Nordic_Cold_CustomFlex	Yes
Nordic_Cold_IntenseCooling	Shopping-function
Feet/Wheels	Adjustable feet;Rear fixed rollers
Cord length, m	2.4
Annual energy consumption (EL), [kWh/y]	117
Min. ambient temp, °C	10
Noise, dB(A) E20	38
Climate class E20	SN-N-ST-T
Door colour	Stainless Steel With Antifingerprint
Side Colour	Grey
Handle Variant Name	Cologne
Handle Length	Medium
Platform	Atlantis
Product Number Code	926 649 110
Bar code	7333394126654
