

For evenly cooked dishes

The SurroundCook® oven's advanced fan technology ensures that every part of your dish is getting exactly the heat it needs. Evenly. Consistently. Wherever it's placed. Whether it's one dish or several.

Product Benefits & Features

More even heat throughout the oven with Multilevel Cooking

Multilevel Cooking adds third heating element to enable you to bake evenly on multiple levels. Perfect for creating three trays of cookies or pies at the same time.

Pyrolytic Cleaning. The self-cleaning function

Using high temperature, the Pyrolytic Cleaning function turns grease and food residue into ash – so you can easily wipe it off with a damp cloth.

Quick and effective, Even Cooking

Our Even Cooking system circulates heat throughout the oven, making sure everything is cooked evenly. All without the need to turn your dish. Our technology means your oven heats up faster saving you time and energy.

Save time with the Fast Heat Up function

Our Fast Heat Up function makes sure the oven is ready when you are. With a shorter pre-heating time compared to conventional heating, you can turn those spare moments into more memorable meals.

Touch display for easy access and full control

Easily set your oven and track cooking progress with the intuitive LED display EXPLore+ Touch. The screen shows function, time, temperature and status, while the touch buttons provide quick access to pre-programmed cooking functions.

- Multifunctional oven with ring heating element
- Touch control
- 1 pyrolytic cleaning program
- Cleaning reminder
- Fast oven heat up function
- Electronic temperature regulation
- VarioGuide
- Automatic temperature proposal
- Automatic safety switch off oven function
- Residual heat indication
- Cooling fan
- Child Lock safety function for control panel
- Door lock
- Accessories included: 1 Cake tray grey enamel, 1 Dripping pan grey enamel, 1 Wire shelf chromed
- Catalytic converter

Product Specification

Main colour	Black
Cleaning main oven	Pyrolytic
Bottom - Top Oven	Black Enameled
Volume usable, l Main Oven	65
Energy efficiency class	A+
Dimensions HxWxD in mm	598x594x560
BI dimensions HxWxD in mm	590x560x550
Largest surface area, cm ²	1130
Temperature range	50°C - 250°C
Door surface temp. max., K (acc. to EN30 or 60335-1)	15
Nordic_OV_GridRunners	Regular grid runners
SE_Oven_Timercolor	White
Grill element power, W	1300
Conventional - Energy consumption kWh/cycle Main Oven	0.94
Fan Forced - Energy consumption kWh/cycle Main Oven	0.67
Cord length, m	1.5
Total electricity loading, W	2320
Required fuse (A)	16
Product Number Code	944 068 602
Bar code	7333394144788
