

Fresh, long-lasting ingredients. Frost-free freezer

The 800 No Frost Greenzone+ Fridge Freezer keeps food fresh for longer. A high-performance drawer with automatic humidity control preserves fruit and vegetables. No Frost technology prevents ice build-up so you never need to defrost.

Product Benefits & Features
GreenZone+ helps keep fruits and veggies nutritious

GreenZone+ keeps fruits and vegetables fresher for longer with an automatic humidity membrane. The high-performance drawer creates an ideal environment to preserve nutrients and flavour while preventing excess moisture and drying out.

TwinTech® No Frost - food kept hydrated and juicy

TwinTech® No Frost has an advanced dual cooling system for the fridge and freezer. This technology ensures the freezer stays frost-free and the fridge humidity optimal, preventing the food from drying out.

45% bigger capacity than standard*

Thanks to MaxiSpace, you get 45% more capacity than a standard Fridge Freezer.* It's taller and wider than regular refrigerators, providing extra room to store more items.

AI CoolAssist® – smart cooling that adapts to your routine

AI CoolAssist® intuitively adapts fridge settings to your daily routine - whether adding groceries or leaving for vacation. AI CoolAssist® learns your habits to optimise cooling temperature, functions and saves up to 10% energy consumption*

*Compared to own standard size fridge freezer

*Tested on 1780 CB Multichill and 1780 CB Twintech Nofrost, comparing energy consumption at 25°C with AI CoolAssist® enabled Auto Vacation Mode versus factory default settings with AI CoolAssist® off. Actual energy saving may vary, depending on environmental temperatures and usage patterns.

Consistently cool, with DynamicAir

DynamicAir makes sure that the environment inside your fridge is kept at a stable temperature. It works by circulating cool air throughout, meaning that even when the door is opened, your food is protected from heating up.

- Automatic defrosting of the freezer compartment
- Automatic defrosting of the cooling compartment
- Audible and visible warning signal for open door
- Audible and visual warning signal for open door and high temperature
- Fast freeze function with automatic return to normal
- Freezer drawers: 2 full width+1 Freezer Tray, Frosted
- Refrigerator lighting: Luna – 1 side; Luna – 1 top
