

Advanced sensors for perfectly fresh kitchen air

The 900 AutoSense Hood senses steam, grease and odours in your kitchen, intuitively adjusting the fan power to quickly clean the air. Cook for family and friends in a fresh kitchen environment without noise disturbance.

Product Benefits & Features

AutoSense. Smart sensors for clean kitchen air

AutoSense technology intuitively senses odours, grease and steam, automatically adjusting the fan speed for optimal air quality. Experience a kitchen that is fresh and clean, as the hood adapts seamlessly to your cooking needs.

Perfect Illumination. Discover the magical colours of every dish

Perfect Illumination offers customisable kitchen ambiance. The dimmable LED lights brighten your entire cooking surface, providing exceptional visibility. Adjust intensity and light temperature from cool to warm for your perfect combination

Silently refresh the air with Breeze

Touch the breeze button as soon as you've finished cooking and the extraction level is cut to a whisper-quiet minimum and works for 60 minutes. Meaning you can enjoy your meal in peace while the air in your kitchen gets quietly refreshed.

Smart control of your cooker hood

Easily manage your cooker hood with the app. Customise your hood lighting from morning to night with AuroraTech®, which suggests optimal light settings based on time and location for ultimate kitchen ambiance. Monitor your carbon filter, access cleaning tips, and adjust fan

ExtractionTech Pro. Ultimate extraction power

Experience superior kitchen ventilation with the ExtractionTech Pro cooker hood. Equipped with our most powerful motor and intensive speed option, it efficiently extracts cooking vapours ensuring an exceptionally fresh cooking environment.

- Installation type: Chimney, width 60 cm
- Air extraction capacity (high/low): 445 / 260 m³/h
- Max. extraction capacity (intensive): 760 m³/h
- Noise min/max/intensive: 43/55/67dB(A)
- Number of speeds: 3+2 Intensive; Breeze function; SilenceTech Range
- Cooker hood lamps type and number: AuroraTech, Rectangular led, 2
- Breeze function
- Perimeter extraction for lower energy consumption and noise levels
- Electronic touch controls on glass with speeds 3+2 Intensive; Breeze function; SilenceTech Range
- Return flap
- Indicator for grease filter saturation
- Indicator for carbon filter saturation
- Grease filter type and number: Black Aluminium mesh, 2
- Air extraction or recirculation possible, if charcoal filter (optional accessory) installed.
- LongLife charcoal filter can be bought as accessory
- Recirculation capacity, man/max/intensive: 250/440/725 m³/h
- AutoSense automatically detects and removes odours, grease and steam.

Product Specification

Nordic_Series_and_Themes	900
Main colour	Black
Energy efficiency class Hood	A+
Dimensions HxWxD in mm	1340x598x419
Nordic_CH_Cap_MinMaxInt_SecGen	260/445/760
Nordic_CH_Noise_MinMaxInt_SecGen	43/55/67
Test_MotorType	Standard
Nordic_CH_BreezeFunction	Yes
Nordic_CH_ControlType	Touch
Nordic_CH_Lamps_TyNo	2, AuroraTech, Rectangular led
Nordic_CH_MinDistanceElectricGas	55/65
Fluid dynamic efficiency class	A
Lighting efficiency class	A
Grease filter efficiency class	B
Air outlet, mm	150
Cord length, m	1.1
Plug Type	Schuko
Product Number Code	942 051 596
Bar code	7333394145884
