

Effortless flexibility to meet your ever-changing needs

The flexible 900 MultiChill 0° Fridge- Freezer eases everyday life by giving you through-the-door ice and water. You can also adjust the convertible, variable temperature, MultiChill°C Drawer to better preserve your ingredients.

Product Benefits & Features
Enjoy more flexible food storage with the MultiChill 0° drawer.

With a range from -3°C to 5°C, the MultiChill 0° drawer lets you select the ideal temperature for your ingredients. Use it for cold cuts & cheese, to chill drinks, keep frozen items, save leftovers or as an extra vegetable drawer.

Ice & Water dispenser makes it easier to enjoy cold drinks

Easy access to refreshment: With the Ice & Water Dispenser, you can enjoy ice, crushed ice and filtered water without opening the door and letting the cold air out.

Cooling every corner. Full flavour in every bite

All-around air circulation flows cold air in every corner, through efficient air vents. Innovative real stainless-steel back restores temperatures quickly after every open door. For lovingly sourced produce kept mouth-watering.

Food protection, metal design
Cooling 360° inside or outside to every corner, protects food on any shelf

FreshZone drawer for crispier, fresher vegetables

It just got easier to enjoy more fruit and vegetables in your diet. The FreshZone drawer lets you adjust humidity to keep them at their best, protecting colour, taste, and texture.

No Frost, forever

No Frost technology prevents ice from building up in the freezer, so you never have to defrost it again. Making it more hygienic and easier to clean, while giving you extra room to store the ingredients that you love.

- Automatic defrosting of the freezer compartment
- Automatic defrosting of the cooling compartment
- MultiFlow
- Action Cool function quickly assures the desired refrigeration temperature
- Fast freeze function with automatic return to normal
- Holiday function to minimize energy consumption during long absence avoiding mould and bad odours
- Freezer drawers: 2 Full Width, Transparent Plastic
- Glass shelves in the freezer
- Refrigerator lighting: Internal. LED
- Freezer lighting: Internal. LED
