COMMISSION DELEGATED REGULATION (EU) 2019/2013 with regard to energy labelling of electronic displays

|     | Parameter                                                                                                                    | Parameter or value and precision                                                       |   |       | Unit            |
|-----|------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------|---|-------|-----------------|
| 1.  | Supplier's name or trademark.                                                                                                | BenQ                                                                                   |   |       |                 |
|     | Supplier's address.                                                                                                          | BenQ Europe B.V. , Meere-<br>nakkerweg 1-17, 5652 AR<br>Eindhoven Noord-Brabant,<br>NL |   |       |                 |
| 2.  | Model identifier                                                                                                             | MA320U                                                                                 |   |       |                 |
| 3.  | Energy Efficiency Class for Standard Dynamic Range (SDR)                                                                     | G                                                                                      |   |       |                 |
| 4.  | On mode power demand in SDR                                                                                                  | 33,1                                                                                   |   |       | W               |
| 5.  | Energy Efficiency Class for High Dynamic Range (HDR)                                                                         | G                                                                                      |   |       |                 |
| 6.  | On mode power demand in HDR, if implemented                                                                                  | 50,0                                                                                   |   |       | W               |
| 7.  | Off mode, power demand, if applicable                                                                                        | 0,3                                                                                    |   |       | W               |
| 8.  | Standby mode power demand, if applicable                                                                                     | 0,5                                                                                    |   |       | W               |
| 9.  | Networked standby mode power demand, if applic-<br>able                                                                      | n.a.                                                                                   |   |       | W               |
| 10. | Electronic display category                                                                                                  | Monitor                                                                                |   |       |                 |
| 11. | Size ratio                                                                                                                   | 16                                                                                     | : | 9     |                 |
| 12. | Screen resolution                                                                                                            | 3 840                                                                                  | x | 2 160 | pixels          |
| 13. | Screen diagonal                                                                                                              | 80,0                                                                                   |   |       | cm              |
| 14. | Screen diagonal                                                                                                              | 32                                                                                     |   |       | inches          |
| 15. | Visible screen area                                                                                                          | 27,4                                                                                   |   |       | dm <sup>2</sup> |
| 16. | Panel technology used                                                                                                        | LED LCD                                                                                |   |       |                 |
| 17. | Automatic Brightness Control (ABC) available                                                                                 | No                                                                                     |   |       |                 |
| 18. | Voice recognition sensor available                                                                                           | No                                                                                     |   |       |                 |
| 19. | Room presence sensor available                                                                                               | No                                                                                     |   |       |                 |
| 20. | Image refresh frequency rate (default)                                                                                       | 60                                                                                     |   |       | Hz              |
| 21. | Minimum guaranteed availability of software and<br>firmware updates (from the date of end of the<br>placement on the market) | 8                                                                                      |   |       | Years           |
| 22. | Minimum guaranteed availability of spare parts<br>(from the date of end of the placement on the mar-<br>ket)                 | 7                                                                                      |   |       | Years           |
| 23. | Minimum guaranteed product support                                                                                           | 7                                                                                      |   |       | Years           |
|     | Minimum duration of the general guarantee offered<br>by the supplier                                                         | 2                                                                                      |   |       | Years           |
| 24. | Power supply type                                                                                                            | Internal                                                                               |   |       |                 |
| 25. | External power supply (non standardized and included in the product box)                                                     |                                                                                        |   |       |                 |
|     | <i>i</i>                                                                                                                     | -                                                                                      |   |       |                 |

|     |                                                                                         |                                      |   |    |
