

# Product Information Sheet

COMMISSION DELEGATED REGULATION (EU) 2019/2016 with regard to energy labelling of refrigerating appliances

**Supplier's name or trade mark:** TCL

**Supplier's address:** TCL Europe, Rue Rouget de L'Isle 9-15, 92130 Issy-les-Moulineaux, FR

**Model identifier:** RP532BWE2

**Type of refrigerating appliance:**

|                         |    |                                |              |
|-------------------------|----|--------------------------------|--------------|
| Low-noise appliance:    | No | Design type:                   | freestanding |
| Wine storage appliance: | No | Other refrigerating appliance: | Yes          |

**General product parameters:**

| Parameter                                                                           |        | Value | Parameter                                                                           | Value                                                |
|-------------------------------------------------------------------------------------|--------|-------|-------------------------------------------------------------------------------------|------------------------------------------------------|
| Overall dimensions (millimetre)                                                     | Height | 1 850 | Total volume (dm <sup>3</sup> or l)                                                 | 409                                                  |
|                                                                                     | Width  | 595   |                                                                                     |                                                      |
|                                                                                     | Depth  | 680   |                                                                                     |                                                      |
| EEI                                                                                 |        | 100   | Energy efficiency class                                                             | E                                                    |
| Airborne acoustical noise emissions (dB(A) re 1 pW)                                 |        | 39    | Airborne acoustical noise emission class                                            | C                                                    |
| Annual energy consumption (kWh/a)                                                   |        | 285   | Climate class:                                                                      | extended temperate, temperate, subtropical, tropical |
| Minimum ambient temperature (°C), for which the refrigerating appliance is suitable |        | 10    | Maximum ambient temperature (°C), for which the refrigerating appliance is suitable | 43                                                   |
| Winter setting                                                                      |        | No    |                                                                                     |                                                      |

**Compartment Parameters:**

| Compartment type | Compartment parameters and values         |                                                                                                                                                            |                            |                                                    |
|------------------|-------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------|----------------------------------------------------|
|                  | Compartment Volume (dm <sup>3</sup> or l) | Recommended temperature setting for optimised food storage (°C)<br>These settings shall not contradict the storage conditions set out in Annex IV, Table 3 | Freezing capacity (kg/24h) | Defrosting type (auto-defrost=A, manual defrost=M) |
|                  |                                           |                                                                                                                                                            |                            |                                                    |

|                                                                                                                                                                                         |     |       |     |      |   |
