

### Cooling that adapts to you

The 7000 AI CoolAssist® Refrigerator intuitively adapts to your lifestyle whether you're adding groceries or away on holiday. The refrigerator maintains a stable environment for optimal food protection.

## Product Benefits & Features

### AI CoolAssist® – advanced cooling that adapts to you

AI CoolAssist® intuitively adapts fridge settings to your daily routine - whether adding groceries or leaving for vacation. AI CoolAssist® learns your habits to optimize cooling temperature, and, during low-use times, can save up to 15% energy.\*

### Every shelf evenly chilled. With DynamicAir

DynamicAir maintains a constant airflow to guarantee a stable temperature throughout the refrigerator. Every shelf evenly chilled to preventing warm zones. Prohibiting bacteria growth. Preserving fresh ingredients.

\*Internal test on representative models at 25°C, comparing AI CoolAssist enabled with Auto Vacation Mode after 3 days of inactivity against factory default settings. Actual savings may vary by model, ambient temperature, usage and operating conditions.

### Big Pull-Out Drawer: Spacious enough for unconstrained access

The Big Pull-Out Drawer slides all the way out for convenient, unconstrained access to all items. It's spacious capacity enables optimal storage and organization of bulky items. Ideal for chilling large bottles.

### New-era innovation. Unique fridge with recycled plastic

A new era of cooling is here. Introducing our fridge with an inner lining made of 70% recycled plastic. Plastic from discarded fridges is used to make new ones, helping reduce waste through circularity.

\*Inner liner rHIPS made with up to 70% recycled plastic representing 13% of total fridge plastic"

### Your dedicated space for different type of food. With ExtraZone

Maintain fridge organisation and avoid mixing stored food types with the ExtraZone drawer. Ideal for improving the accessibility of different type of food, while keeping ingredients within reach and sight at all times.

- Appliance HxWxD (mm): 1769 x 557 x 549
- 1780 mm built-in height
- For fully integrated, door-on-door installation
- Coolmatic function for quickly chilling fresh food
- Audible & visual open door warning signal
- SoftClosing door solution
- AI CoolAssist®
