The new Series 6 kitchen machine precisely process food to perfect results, thanks to sensor technology and displayed 1g scale. Bake whatever you want with impressive intuitive design and 3D planetary mixing powered by a new motor with 1600W.

- **Intelligent sensing:** the Series 6 Kitchen Machine monitors your mix every second and stops when its perfect.
- **Displays 1 gram intervals:** Measure and weigh ingredients with ease in the bowl or at the top.
- **Kneads dough as if by hand:** The 3D Planetary Mixing provides a consistent mix every time
- **Longest kneading endurance:** Suitable for very heavy and large amounts of dough
- **Extra-large 5.5l stainless steel bowl:** Handles up to 2.5 kg of bread dough or 3.5 kg of cake mix on a single step.

Technical Data

Dimensions: 330x320x380 mm
Dimensions of the packed product (HxWxD):402x400x800 mm
Pallet dimensions: 175.0 x 80.0 x 120.0
Standard number of units per pallet: 12
Net weight: 13.6 kg
Gross weight: 16.4 kg
EAN code:4242005424719
Connection rating: 1600 W
Voltage: 220-240 V
Frequency: 50/60 Hz
Length electrical supply cord: 110 cm
Included accessories: 1 x adapter, 1 x lid, 1 x continuous shredder, 1 x stainless steel mixing bowl, 1 x filling tray, 1 x meat mincer, 1 x glass blender attachment, 1 x Reversible shredding disc coarse/fine, 1 x Coarse grating disc, 1 x Fine grating disc, 1 x Reversible slicing disc thick/thin, 1 x pusher, 1 x professional kneading hook, 1 x disc 8 mm, 1 x disc 3 mm, 1 x professional beating whisk, 1 x professional stirring whisk, 1 x disc 5 mm

- Universal food processor

Excellent Results

- Perfect results thanks to the sensor-driven automatic programs. The Smart Sensor Technology automatically recognizes when result is perfect and stops on its own. You can fully concentrate on the next task and simply not care about while e.g. cream become perfect by itself. The Sensor is optimized for a wide range of cases from whipped cream to sour dough.
- Air-cooled motor: Long motor run time for intense kneading of heavy dough to achieve e.g. perfect pizza dough without overheating
- 3D PlanetaryMixing: kneading movement like your hands for perfect dough by working into the dough from above or mixes delicate ingredients to fine consistency

Comfort

- Integrated scale: Displays 1-g-steps, measures additionally ml, milk, ml oil, g, oz & lbs, optimized to weigh on top or simply directly in the bowl or accessories.
- Integrated switch off timer: just set the time individually and the kitchen machine automatically stops once the time is up.
- Always the right speed with 7 speed settings, an extra slow setting for folding in delicate ingredients and the maximum speed setting for extra power.
- Easy and effortless opening of the mixing arm at the touch of a button, thanks to EasyArmLift.
- Easy Tool Eject: Tools can be changed easily by pressing the eject button

Accessories included

- Extra big, brushed stainless steel bowl with 5.5l capacity equipped with two ergonomic handles for up to 3,5 kg of cake mixture or 2,5 kg bread dough.
- Perfect whipping performance with increased stability of the whisk and new high quality design - fitting perfectly the contour of the bowl
- Solid kneading hook made out of stainless steel for high rigidity, developed in a unique shape to achieve best kneading experience
- Splash protection lid made out of shutterproof and durable BPA free Tritan material equipped with a filling whole. Lid stays up when lifting the arm and can also be easily removed.
- Always find the right drive - each drive and the corresponding accessory have the same color marking.
- Home Connect App: Access to tasty recipes and tips developed for Series 6 to achieve perfect results successfully

- Huge variety of high quality accessories open up the space for your baking and cooking experience
- Thick-walled ThermoSafeglass blender included with 2.3 l capacity (with food: 1.5 l) - for easy and safe mixing of hot soups and ice-cold beverages without making too much noise due to the special shape
- Meat mincer: excellent results and large quantities of mincing meat - round 2 kg per minute. Three different thicknesses of the stainless steel discs: 3 mm, 5 mm or 8 mm. Perfect for preparing fish and vegetable terrines, sausage meat and minced meat of every kind.
