Electrolux 400 Multifunction Ceramic Glass 60x60 cm Black Enamel

LKR6200N2W

Circulated Cooking – for even heating in the oven
With Circulated Cooking, the fan evenly distributes heat through the top and bottom of your oven cavity. The result is more consistent, reliable cooking.

Product Benefits & Features

Circulated Cooking – moves heat evenly
With Circulated Cooking, the fan evenly distributes heat through the top and bottom of your oven cavity, creating more consistent dishes.

The Radiant Hob – for fast cooking
The Radiant Hob is fast and easy-to-clean with ceramic zones that heat quickly and accurately for fuss-free cooking.

A glass door that's simple to keep clean
The glass in this oven's door is simple to clean. You can completely remove the door and the glass panels, and quickly clean it all.

The oven that's easier and more convenient to clean!
The moveable shelf supports make it easier than ever to give your oven a thorough clean, even in those tricky corners, in less time and with less effort.

Black Enamel – durable and easy to clean
Black Enamel is the optimum material used for a cooker's cavity. Robust, durable and easy to clean, it facilitates the cooking process.
